Plaintiffs' motion for attorney's fees and costs, filed January 13, 2010, is currently  
set for hearing on March 8, 2010.

1  
2 As plaintiffs explained in their moving papers, the parties are in on-going  
3 negotiations over several issues raised in plaintiffs' motion to enforce, and plaintiffs  
4 submitted their motion prophylactically: *i.e.*, out of an abundance of caution to preserve  
5 their right to recover attorney's fees and costs incurred in prosecuting their motion to  
6 enforce.

7 Plaintiffs further indicated that judicial economy would be served by the Court's  
8 deferring hearing and disposition of the instant motion until after all issues relating to  
9 defendants' compliance with the settlement have been wholly resolved, whether by  
10 settlement or litigation. Plaintiffs accordingly sought and obtained defendants'  
11 agreement to take plaintiffs' fee motion off calendar.

12 ///

Accordingly, IT IS HEREBY STIPULATED, by and between the undersigned counsel for plaintiffs and defendants, that plaintiffs' motion for attorney's fees and costs be taken off calendar, subject to re-noticing in accordance with Local Rule 230.

Dated: January 22, 2010.
